PRP Pharmacology Research & Perspectives

Open Access

Have You Considered Publishing Open Access?

[See the latest issue](#)

Here are 6 good reasons to submit to *Pharmacology Research & Perspectives*

- Rapid publication
- Article immediately freely available to read, share and download
- High standard, rigorous peer review
- Widest possible dissemination
- Authors retain Copyright
- An official journal of the British Pharmacological Society and the American Society for Pharmacology and Experimental Therapeutics

[Learn more...](#)

Editor-in-Chief: Darrell R. Abernethy, Johns Hopkins University School of Medicine, USA

We are particularly interested in receiving the following content:

- Pharmacological Hypotheses
- Target Validation
- Drug Discovery Reviews
- Replication Studies
- Pharmacoepidemiology
- Bioinformatics
- Pharmacokinetics

We are the outlet for drug development programs.
